

NEWS RELEASE

# CareDx Completes Orderly Management Transition

2021-11-01

SOUTH SAN FRANCISCO, Calif., Nov. 01, 2021 (GLOBE NEWSWIRE) -- CareDx, Inc. (Nasdaq: CDNA), a leading precision medicine company focused on the discovery, development, and commercialization of clinically differentiated, high-value healthcare solutions for transplant patients and caregivers, today announced that the company has completed its transition from Peter Maag, PhD, to Reginald Seeto, MBBS, as Chief Executive Officer.

Concurrent with the appointment of Dr. Seeto as President and Chief Executive Officer of CareDx in November 2020, Dr. Maag had agreed to serve as Executive Chairman of the company's Board of Directors to facilitate an orderly transition. Now that this transition is complete, Dr. Maag will step down as Executive Chairman but will continue to serve the company as a member of its Board of Directors. Michael D. Goldberg, CareDx's lead independent Director, will resume his prior role as independent Chair, a position he previously held from 2011 to 2019.

## About CareDx

CareDx, Inc., headquartered in South San Francisco, California, is a leading precision medicine solutions company focused on the discovery, development and commercialization of clinically differentiated, high-value healthcare solutions for transplant patients and caregivers.
